

Chandler's Ford Infant School

Weekly Newsletter

11th September 2026

Dear Parents/Carers

This week our Year Rs joined us in school, and they have done wonderfully well at starting to settle in.

The school has been filled with the buzz and excitement of new topics and learning.

Year R have been sharing 'all about me', talking about their favourite things, and getting to know the different resources in the classrooms.

Year 1 have done some writing about Shark in the Park, and used their hands as telescopes to look for things!

Year 2 have begun exploring sculptures in art, and spent time modelling and assembling with clay.

We have been lucky enough to have some lovely Thornden students on their work experience this week. It's heartwarming to know that some of these were ex-pupils who have shared many happy memories of their time here. That's our aim and hope for your children... that they leave here knowing that they will always be part of the community.

This week Year 2 have had the link to Merton's Open Sessions. We have launched our booking slots for next year's Year R (2027!) But for now we are very happy to concentrate on our current Year R,1,2 children!!!

This week we have continued to talk with the children about our new CARE school values.
CARE for ourselves, CARE for others, CARE for our learning, CARE for our world.

We are still celebrating when we see children using our learning values, just like our woodland animals:

Creative Thinking, like Hedgehog
Aiming High, like Owl
Resilient, like Squirrel
Enthusiastic, like Rabbit

Look out for the names of children who achieved a Crown CARE award in assembly today and last week!

Wishing you a wonderful weekend,

Ms Clair Phillips
